AGRO

2-Stroke engine oil

Meets the requirements:

API TC
JASO FB

MANNOL Agro TC is a high quality engine oil for two-stroke engines of minitractors, mowers, trimmers, cultivators, chain and circular saws, special equipment for forestry and other garden equipment where separate lubrication system or direct mixing with fuel is used. Ashless additives provide high burn-out degree and significantly increase the motor capacity of agricultural aggregates. To select the right proportion follow the vehicle producers' instructions.
